Notes to the Financial Statements for the year ended March 31, 2019

1 Company Overview

Parinaam Foundation is a not for profit Organization founded in the year 2008 to cater to the educational and healthcare needs of the Urban Poor. The Company is registered under Section 25 of Companies Act, 1956 (known as section 8 as per new companies act 2013) and is recognized under section 12A of the Income Tax Act, 1961. Parinaam Foundation is also registered under the Foreign Contribution (Regulation) Act, 2010.

2 Significant Accounting Policies

2.1 Basis of preparation of Financial Statements

The Financial Statements are prepared in accordance with the Generally Accepted Accounting Principles ('GAAP') in India under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act 2013 ('the Act') read with Rule 7 of Companies (Accounts) Rules, 2014, the relevant provisions of the Companies Act, 2013, to the extent applicable. The accounting policies have been applied consistently to the periods presented in these Financial Statements.

The Company is a Small and Medium sized Company (SMC) as defined in general instruction in respect of Accounting Standard notified by Companies Accounting Standard Rules 2006. Accordingly, the Company has complied with the Accounting Standard as applicable to Small and Medium Sized Company.

2.2 Use of Estimates

The preparation of Financial Statements in accordance with Generally Accepted Accounting Principles ('GAAP') in India requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of Assets, Liabilities, Income and Expenses and the disclosure of Contingent Liabilities on the date of the Financial Statements. The estimates and assumption used in the accompanying Financial Statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the Financial Statements. Actual results could differ from those estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.3 Current and non – current classification

All Assets and Liabilities are classified into current and non – current.

Any Asset or Liability is classified as current if it satisfies any of the following conditions:

- a) The Asset/Liability is expected to be realized/settled in the Company's normal operating cycle;
- b) The Asset is intended for sale or consumption;
- c) The Asset/Liability is held primarily for the purpose of trading;
- d) The Asset/Liability is expected to be realized/settled within twelve months as per the reporting period;
- e) The Assets is Cash or Cash equivalent unless it is restricted from being exchanged or used to settle a Liability for at least twelve months after the reporting date;
- f) In the case of a Liability, the Company does not have an unconditional right to defer settlement of the Liability for at least twelve months after the reporting date.

All other Assets and liabilities are classified as non – current.

For the purpose of current/non-current classification of Assets and Liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of Assets or inventories for processing and their realization in Cash and Cash equivalents.

2.4 Fixed Assets and Depreciation

Measurement at recognition:

An item of PPE that qualifies as an Asset is measured on initial recognition at cost. Following initial recognition, items of PPE are carried at its cost less accumulated depreciation and accumulated impairment loss.

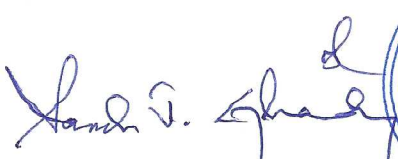

The cost of an item of PPE comprises of its purchase price including import duties and other non-refundable purchase taxes or levies, directly attributable cost of bringing the Asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar Liabilities, if any. Any trade discounts and rebates are deducted in arriving at the purchase price.

Depreciation:

Depreciation has been provided on straight line method over the useful life of the Assets specified in Schedule II of the companies Act, 2013. Depreciation on additions during the year is provided on a pro-rata basis for the period of addition.

Intangible Assets under Development:

All the expenses incurred for development of Software, qualifies the parameters set out in the Accounting standard – 26, which is not completed on the date of balance sheet are recognized as "Intangibles under Development".

2.5 Revenue Recognition

(a) All voluntary contributions received during the year are towards the objectives of the Company and are accounted on the date of receipt.

As per Fund Based Accounting principle, any contribution received, whose usage is restricted by the donors are credited to a separate fund account and reflected separately in the balance sheet under the fund name. When a revenue expenditure is incurred, the same is debited to Income and Expenditure account and a corresponding amount are transferred from the concerned fund account to the credit of income and Expenditure account.

When a capital expenditure is incurred, the relevant Assets account is debited which is depreciated as per AS 10. Thereafter, the concerned restricted fund account is treated as deferred income, to the extent of cost of Assets, and is transferred to the credit of the income and expenditure account in proportion to the depreciation charged every year.

(b) Voluntary contributions that are not subject to any restriction from donor are credited to Income & Expenditure account on the date of receipt. Any Surplus or Deficit in the Income & Expenditure Account shall be transferred to Unrestricted fund.

(c) Interest income on Savings Bank accounts and Fixed Deposits are accounted on accrual basis. However, Interest earned out of restricted fund are credited to concerned fund account and Interest earned out of Unrestricted funds are credited to Income & Expenditure Account.

(d) Service Income are recognized on accrual basis.

2.6 Employee Benefits

(i) **Defined Contribution Plan :** Contribution to Provident Fund, Labour Welfare Fund and ESI are deposited with the appropriate authorities and charged to the statement of profit & loss on accrual basis. The Company has no further obligations under these plans beyond its monthly contributions.

(ii) **Defined Benefit Plan :** The Company provides for retirement benefits in the form of Gratuity & Leave encashment. The Company's Gratuity plan is a defined benefit plan. The present value of gratuity & Leave Encashment obligation under such defined plan is determined based on actuarial valuation carried out by an independent actuary using the project unit credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future Cash flows. The discount rate used for determining the present value of the obligation under the defined benefit plans, is based on the market yields on Government securities as at the valuation date having maturity periods approximating to the terms of the related obligations. Actuarial gains and losses are recognized immediately in the Statement of profit and loss.

2.7 Foreign Exchange Transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the dates of the respective transactions.

2.8 Cash & Cash Equivalents

Cash and Cash Equivalents comprise Cash at Bank and in hand and Short-Term Investments with an original maturity of three months or less.

2.9 Provisions and Contingent Liabilities

Provisions are recognized when the Company has a present obligation as a result of a past event, for which it is probable that a Cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the correct management estimates.

Contingent Liabilities are disclosed when the Company has a possible obligation or a present obligation and it is probable that a Cash flow not be required to settle the obligation.

2.10 Provision for Taxation

The Company is registered under Section 25 of the Companies Act, 1956 (known as section 8 as per new companies act 2013) and is recognized under Section 12A of the Income Tax Act, 1961 and Company has applied its income for the objective of trust as per the limit prescribed in the Income Tax Act, 1961. hence there are no tax Liability arising on the Company's activity.

Since there is no Liability for income taxes the Company has not recognized deferred taxes arising out of timing difference on a prudent basis.
